"Life is But a Song"

Sing a song,

Hum a tune,

Play a melody,

A song has a beginning, so does life.

Music is an expression of the imagination; life made into
verse and melody.

A song may illustrate gaiety, joy, praise, faith, harmony,
discord, depression, sadness, contempt, or even the
freaky, psychic things of our soul and mind, just as
life experiences these day by day.

A song can end with an abrupt finale or can fade little
by little . . .

The fire of life, a sudden gust to distinguish it at once
or the flame dimmed to nothingness, a breath at a
time.

A song may drift out of popularity and disappear, but it
will always live as a memory, portrayed over and over
again by humanity.

Similarly, life's soul will wilt away only to be revived
again.

LIFE IS BUT A SONG!

"Enter the Young"

Here they come

Some are walking, some are riding

Here they come

And some are flying, some just gliding

Released after years of being kept in hiding

They're climbing up the ladder rung by rung

Enter the young

They've learned to think

More than you think they think

Not only learned to think, but to care

Not only learned to think, but to dare

Here they come

Some with questions, some decisions

Here they come

And some with facts and some with visions

Of a place to multiply without the use of divisions

To win a prize that no one's ever won

Here they come

Some are laughing, some are crying

Here they come

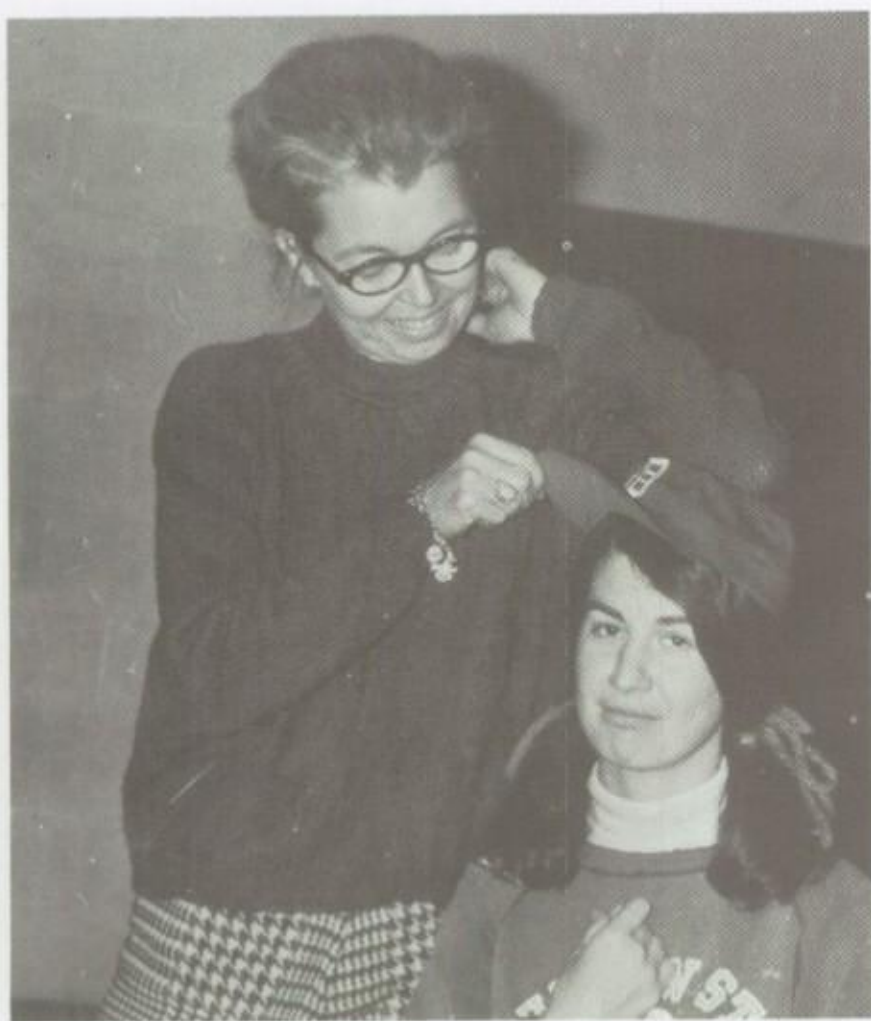

And some are doing, some are trying

Some are selling, some are buying

Some are living, some are dying

But demanding recognition one by one

Enter the young.

Now we, the class of 1972, have become full fledged members of the high school. Mrs. Steen and Mr. Robertson became our class sponsors and we continued building the final stages of the road to graduation. In four years we've gone through four placing floats, two winners and two seconds and three band directors. We've had two straight years of league football winners and have watched wrestling grow into the popular sport that it is now.

As Sophomores we received our class rings earlier than any other class before us. This was the year of furnace breakdowns and bomb scares.

Next came the Juniors stand and magazine drive in which we earned more money than in any other previous year. We put on an excellent prom at the Hospitality Inn in Lansing. We also watched Mr. Brigham leave the head football position, which was filled by Mr. Dubaj.

As Seniors we inherited the senior lunch tables, the seniors and many new and different problems. We voted on colors, mottos, and announcements. We again found ourselves picking another king and queen, Ritchie Lewis and Sue Bishop.

Our class visited New York on a most exciting and interesting trip. There we toured the U.N., NBC Radio Studios and saw the Rockettes and also the movie "What's Up Doc!" We stayed at the Taft Hotel where almost anything was possible, from birthday parties to a mugging. All in all it brought the class much closer together.

As Seniors now, everything is viewed in a different light. Most of us wish that we had studied more, gotten more involved, and taken it all a little more seriously.

We are even losing our fright of Mr. Brigham and beginning to see how very much he has helped us on our way through these past four years. We pity Mrs. Arthur and Mr. Corwin for having to listen to all our problems and we thank them for the advice that they have given us.

We graduate now bringing only memories of high school with us. For some, June 1st will be greeted with open arms, others are sad and sorry to leave here. This has become our home.

The future is still uncertain: some plan for college, others for marriage, and a portion have no plans at all. It will be interesting to come back and survey everything in ten or twenty years.

We thank everyone for all the help that we as a class received.

The Senior Trip

On April 15 at 6:30 p.m. the mighty seniors of '72 pulled out of Fowlerville on route to New York. Much to our dismay, after 13 long hours of yelling and carrying on, we arrived at the Taft Hotel. At this point we didn't know whether we were coming or going.

Sunday afternoon we had a tour of Lower Manhattan and walked through Greenwich Village. That evening we were entertained at the Radio City Music Hall with "What's Up Doc," and the "Rockettes."

Since curfew was at 1:00 all good kids were supposedly in their sacks. We were rudely awakened at 7:00 Monday morning by our dear hotel operator. That morning we assembled for a tour of Upper Manhattan, which included a walk through China Town. We went through NBC Television and Radio Studios, which proved to be an interesting tour. Monday night we ate dinner at Tad's Steak House and then the evening was free to do whatever we wanted to do. Some seniors went to the Broadway play, "Jesus Christ Superstar," Empire State Building, and "The Godfather."

After a hard night at the hotel, Tuesday morning was free. Some kids went shopping at Macy's, the world's largest department store, while some went to the Statue of Liberty and others were still recovering from the previous night. That afternoon we had a tour of the UN building then the rest of the afternoon was free.

At 6:45 we assembled in the lobby to board the busses home. Goodbye New York! The trip home went faster and was a lot quieter than the ride to New York.

When we arrived in Fowlerville we unloaded at Dillingham's, where we ate a good breakfast, and last but not least many thanks to our sponsors.

All in all, everything that we Haven't mentioned, we had one trip we'll never forget!

To brag little, to lose well
To crow gently if in luck,
To pay up, to own up,
To shut up if beaten,
Are the virtues of a sporting man.

Few of us are faster than a speeding bullet, more powerful than a locomotive, or able to leap tall hurdles at a single bound; we are not supermen, but sportsmen. We play to win, but even more, just because we love to.

The 1971-72 JV cheerleaders spent one of the most exciting years that they will never forget. It was filled with pep assemblies, cheerleading competition, games, and just all around Glad Spirit! Fall brought football games that made every Thursday nite a special nite. But when Winter came along, Basketball became priority. Now the year has finished and it will be a Deposit in our memory banks forever.

The Freshman cheerleading squad of 1971-72 had a very good year even if their team didn't. Besides the cheering at the games these girls went to a cheerleading day camp where they triumphantly won a second place trophy. This was probably one of the high points of their cheering along with the games they did win. The most memorable game was probably the Detroit Country Day football game where they cheered in below zero degree ... weather. They'll probably never forget that but all in all they had a very memorable and fun filled year.

Crowds of people flocked into Fowlerville on Friday evening, October 1st, for the annual Fowlerville High Homecoming and Football game. The entire evening was a huge success with the parade that started at 6:00 p.m. featuring the Fowlerville High School Marching Band as well as the Junior Marching Band, the cheerleaders, the pep club, and the representatives from each class, as well as the contestants for homecoming queen.

Following the parade the annual homecoming football game took place at the Fowlerville Athletic Field with the Glads finding themselves, and going on to win by the score of 23 to 6 over the Leslie Blackhawks.

The class representatives in the homecoming ceremonies then took the field, accompanied by musical strains from the Fowlerville High School Band and formed a semicircle in front of the home stands, where upon Ritchie Lewis was named 1971 Homecoming King and was crowned by the 1970 Homecoming Queen Eileen Glover. Then the moment everyone had been waiting for, the naming of the homecoming queen. Four girls had been selected as finalists; Wendy Copeland, Teresa Liverance, Sue Bishop and Becky Miller, and the winner Sue Bishop.

So ended the 1971 Homecoming ceremonies on the field. Following the game a dance was held in the High School Gymnasium.

Pumpkin Pat Forsees Adventure?

The Senior-Faculty Game was held on March 24, 1972, starting at 7:30 pm. The biggest highlight of the game was when Mr. Dubaj made his fantastic shot from out of bounds, almost halfway across the court and it went in. Every one got a big kick out of people like Mr. Brigham and Mr. Jones getting in on all the action, just to name a few. The seniors didn't do too bad themselves! At the end of the game the faculty had a hard earned 77 and the seniors has a screaming 55!

Lenard Campbell-

As the music softens to keep the pace
which has gradually descended,
and all wait ... and all strain
to hear the final note,
something comes over all ...
and all is quiet.

The once burning flame is dying to a mere flicker
only to burn again some day ...
for some other music.

No more do rivers flow
for the gentle rhythm stops ...

And with every pulsating beat of every heart ...

There is a new song;
For they know the music will never die ...
not inside.
